

## YOUR SUPPORT MAKES CONVERSATIONS POSSIBLE

Less than 2 years previously, Cherry Street Mission Ministries decided to move all dining and all services under one roof at the Life Revitalization Center. Our vision was to open what is now the Mac Street Café by summer of 2017. We were told we were delusional. We were told that much funding couldn't be found that fast. As I know however, God loves to defy our imagination. Through God all things are possible and that's how the Mac Street Café opened in June of 2017.

Under one roof, Cherry Street also tested and continues to craft the best partnerships with best-in-class leaders to provide vocational and career training to those living in poverty. Within that short window of conception to the first day of class and through each graduating cohort, Cherry Street is simply working in the imagination of God.

Your support and your belief in the work Cherry Street does 365 days a year, allows a relationship to grow from sharing a meal together in the Mac Street Café to building hope and to providing opportunities toward redemption and a life fulfilled.

Thank you for your support in 2017, making it a year of God's imagination revealing itself to our community.
