

## Basic Computer Skills Lab

In today's world, most jobs require some ability to use a computer. We offer a basic computer skills lab in addition to the Pre-GED classes to meet minimal demands but to also prepare the individual for more advanced computer training.

## Experience the Difference

## *Partnered with Owens Community College*

The Owens Community College Aspire Pre-GED class is designed to provide students basic adult skills.

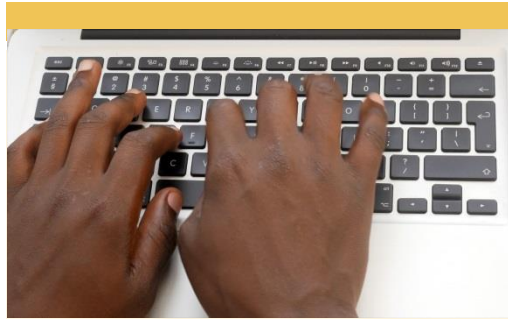

The class is designed to introduce students to the process of pursuing a High School Equivalency through GED preparation and exposure to the concepts and skills needed for today's workforce.

### *Your Instructors*

The class is taught by an Owens Aspire instructor and all materials will be provided.

### *The Cost- FREE*

Classes are free and the cost of the GED test may be covered by the program based on successful and consistent attendance.

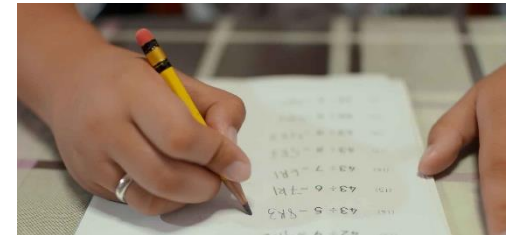

### *Your Time Commitment*

The class meets two days a week for 12 weeks at the Life Revitalization Center.

## *Adult Skills*

- Basic Math
- Geometry
- Algebra
- Reading for meaning
- Grammar
- Identifying and creating arguments
- Analyzing historical events and arguments in social studies
- Using Numbers and graphics in science

### *Small Class = Your Success*

Classes are small and moderately paced to meet your educational needs. This is a great way to get started in a low-stress, highly supportive environment, surrounded by people who care about your success.
